Our global organisation

Grant Thornton International is one of the world's leading organisations of independently owned and managed accounting and consulting firms. These firms provide assurance, tax and specialist business advice to privately-held businesses and public interest entities. Clients of member and correspondent firms can access the knowledge and experience of more than 2500 partners in over 100 countries. For more information visit www.gti.org.

What we have to say

“We are self-demanding and this necessarily implies to have high levels of knowledge and experience. However, what really sets us apart is the combination of these qualities with distinctive service and all-round dedication. This approach gives the maximum value to all we do. We believe in the client-firm partnership.

A firm like ours is possible because it is based on collaboration, leadership, excellence, agility, respect and responsibility. These are the values all member firms of Grant Thornton share.”
